LAND FITNESS CLASSES

Tai-Chi "meditation in motion" This practice promotes serenity while connecting the mind & body. Each movement flows into the next without pause.

Fee:
Y-Members: Free
General Public: \$50/session

Gen-

SENIOR STRENGTH CIRCUIT TRAINING: 30 minute circuit workout using the Nautilus strength equipment located in the Cardio Room. Participants will be led thru the circuit with intervals of balance work and stretching. No need to register- instructor will meet you by the equipment each Tuesday and Thursday!

Zumba Gold®

Fuses International rhythms & easy to follow moves to create a one-of-a-kind fitness program. This dance fitness class involves modified movements & pacing.

Pure Gold

Provides functional, daily exercise activities to improve overall strength, flexibility, posture & balance. A chair is available for seated or standing support, stretching & relaxation.

FOREVER GOLD: Join us in the A gym for this fusion of our two land classes (Forever Fit & Pure Gold). Class will incorporate chair based movements utilizing hand weights, resistance tubing and small training balls. Balance work and flexibility will be focused on throughout the class.

Chair Yoga: a gentle form of yoga that is practiced sitting on a chair or standing using a chair for support.

Fee: Y-Members: Free
General Public: \$50/session

Balance & Flexibility

This 45 minute functional movement class will help participants increase their stability and flexibility in a fun atmosphere.

WATER FITNESS CLASSES

Aquahigh

Exercise in shallow water. Includes warm-up & stretching followed by high-level aerobics, finishing with a cool-down.

Rusty Hinges

For those who are living with arthritis or other conditions that can be helped by mild range of motion exercises in the water.

General Public \$50/10 classes

Aquacise

Exercise done in shallow water. Includes, stretching, aerobics, walking & cool down.

Deep Water Fitness

Participants wear float belts for a low impact workout in deep water, incorporating upper and lower body exercises for toning and improving core body strength.

Water Walking

Excellent low impact workout! Walk or jog through deep water. Participants should be comfortable in deep water. Done on own.

Deep Water Challenge

High intensity interval workout in deep water incorporating upper and lower body exercises. Uses a float belt.
