PRESCHOOL PROGRAM

Ages 3-5

The YMCA Preschool program for ages 3-5 integrates the Y facilities and program to combine both education and recreation for a stimulating preschool experience. Experienced teachers provide traditional preschool instruction that focuses on school readiness concepts such as colors, number/letter recognition, language concepts, and social skills. Learning is done through a variety of fun activities such as arts and crafts, songs, and computer time. Additionally, children participate in weekly planned swim lessons and gym time, with a focus on large motor development.
