Skaneateles YMCA Pre School Behavior Policy

Enrollment or participation in youth programs at the YMCA is a privilege. The YMCA is committed to providing a safe and welcoming environment. To promote safety and comfort for everyone, all individuals are asked to behave in a courteous and polite manner at all times when participating in our programs. The objectives in all YMCA programs are to promote youth development, healthy lifestyles, and social responsibility through teaching and learning acceptable behaviors and promoting a positive self-image.

We ask children to:

- Cooperate and follow directions given by staff
- Respect other children and staff, as well as the equipment and facilities
- Stay in the program area with their class.

❖ Parents/guardians should note that major offenses, such as physical endangerment to another child or staff could result in suspension and possible permanent removal from all child care programs for the year. If such behavior occurs, a phone call will be made to the parent and a meeting will need to be scheduled to discuss the problem.

Please read and discuss this policy with your child.
