SACC – School Age Childcare

Ages & Hours

6:30 am – Bus Pick up
Bus Drop off– 6:00pm
Age 5 & in Kindergarten – Age 12

The Skaneateles Y Before and After School Child Care Program provides safe, affordable, quality childcare for youngsters during the hours when there may be no adult supervision in the home.

The program is conducted and planned by YMCA staff who are trained to meet the needs of children and provide positive adult models. It is not babysitting, but a quality child care program designed with the working family in mind.

Swimming, ice skating, games, fun. Children will bring their own snacks. This is a NY State licensed program, limited spaces available. Busing is provided to school in the morning and from school to the Y in the afternoon.

During school delays, our SACC program will remain open until pick up time if school is delayed. There is no additional charge for this service.

The Skaneateles Y provides care during school closings, half days and snow days at an additional charge.
