Years of Camping

1923 → 2023

Hello Campers and Families!

I am so excited to be back for my 5th year as Camp Director and 9th year overall at Camp Y-Owasco! Every summer at Camp Y-Owasco is a special summer, but this summer will be extra

special because Camp Y-Owasco is celebrating its 100th birthday!! That means we will be celebrating 100 years of friendships, memories, and traditions. After 100 years, it really

goes to show how powerful and impactful camp can be for youth as they are growing, learning, and navigating who they are and what they want to be. Camp is a safe place, free of judgement, where you can be who you want to be, and not what society or anyone else tells you to be. We strive to help every child learn all the skills necessary to develop as a responsible and positive youth and future citizen of the world.

While at camp, your children will get to socialize with their peers and make friendships in a safe and caring environment. They will also get to learn about and experience the beautiful and diverse landscape of Owasco Lake. At Camp Y-Owasco, we believe in the power of positive role models and our staff know that the 5 most important things about camp are the kids, the kids, the kids, the kids, and the kids. Our staff will teach your children new skills to stay healthy and grow in confidence and guide them to discover the best version of themselves so that they can use those gifts to make the world a better place.

Camp Y-Owasco holds a special place in the hearts of many generations in our community, and we are excited to welcome the next century of campers as we celebrate Camp Y-Owasco's 100th summer. Please feel free to call or email with any questions or concerns that you may have.

In the spirit of camp,
Melissa "Kanga" Cartner

Improve Group Skills

Teens will experience leadership, learn outdoor living skills, & groups skills while experiencing adventure along the way! LIT can be seen as the first step to becoming a camp counselor & transitioning out of the traditional camper role. LIT campers are challenged by their counselor, with problems to solve, tasks to complete, and a service opportunity. While this is a fun and engaging program for teens, education and leadership are the primary focus.
