

# MEMBERSHIP FOR ALL

A YMCA Initiative  
Auburn YMCA - WEIU

The YMCA has always been a great fit for families and individuals as a non-profit, mission-driven organization committed to building strong kids, families, and communities. The YMCA is also a great fit for every budget.

The Auburn YMCA believes that everyone should have an opportunity to participate in membership and programs.

MEMBERSHIP FOR ALL is a scholarship program available to those unable to pay the YMCA monthly fees.

An income-based membership for families with a household income of less than \$60,000 and individuals with a household income of less than \$30,000, MEMBERSHIP FOR ALL is designed to fit everyone's financial situation based on a sliding scale format. This membership requires a copy of the applicant's most recent tax return, social security, or benefits distribution check.
